

90 Partridge Way, Thornlie

A Great Place to Start

If you've been searching for your first home and want something you can move straight into while still having plenty of scope to make it your own, this three-bedroom home is well worth a look.

Freshly painted with new carpet throughout, the home offers a spacious lounge and dining area providing plenty of room to relax and entertain.

The kitchen is practical and functional with good bench space and plenty of overhead cupboard storage, while the master bedroom includes a built-in robe.

Bedrooms two and three were originally designed as a combined space, creating a large and versatile area with the potential to be sectioned off or configured with its own separate entry.

There is also a separate hobby room, giving you valuable additional space for a home office, games room, or creative space.

Adding even more usable space is a large enclosed patio, ideal as an additional living or entertaining area, complemented by a separate timber patio for outdoor entertaining.
