This home comprises of two completely separate cabins, both fully renovated, the original is built around a caravan like most homes in the park, and the second is the main cabin built from quality timber. The large outdoor living area sits in between the two cabins which each have their own bathroom and toilet.

Enjoy the beauty of the Tinaroo area, abundance of birds and the fabulous facilities within the holiday park. Facilities inside the holiday park are available to all residents of the Lifestyle Village including the beautiful brand new, magnesium pools which has an accessibility ramp with hydrotherapy features. There is a splash pad water park and jumping pillow (for the grandkids) and a second saltwater pool at the back of the property. Imagine afternoons in the heated magnesium hot tub watching the sunset or walking just a few minutes to Lake Tinaroo, offering many barbeque areas and great fishing.
