

6 Renwick Street, Toronto

TIGHTLY HELD TORONTO - PERIOD CHARACTER, MODERN COMFORT, LAKE VIEWS

Tucked into one of Toronto's most sought-after Jacaranda-lined streets, 6 Renwick Street is a home that stops you in your tracks. Soaring ceilings, rich timber floors and the kind of period character that simply can't be replicated. Tasteful, modern renovations complete the picture - this is a home you can move straight into and love.

A resort-style heated magnesium pool anchors the private rear yard, the upper level captures sweeping lake views, and a sense of calm and quality runs through every room. Homes in this pocket rarely come to market - and standing in this one, it's easy to understand why people never want to leave.

- Four generous bedrooms, two beautifully appointed bathrooms and a double lock-up garage
- Upstairs master retreat with walk-in wardrobe, ensuite and a private balcony framing lake views
- Expansive family room flowing seamlessly to a covered entertaining deck - made for long weekends
- Separate lounge and formal dining room, both showcasing soaring ceilings and rich timber floors
