Meticulously renovated throughout, this home showcases oversized bedrooms and living areas, with stunning herringbone flooring which is soaked in natural light, further enhancing the flexible floorplan.

Boasting an elegant hallway, off which all of the four bedrooms branch off, each bedroom offers built-in robes and plantation shutters. A centrally located bathroom has a deep soak bathtub, large shower, lighted mirrors, stone bench tops and plenty of storage.

A seamless extension of the kitchen and living area offers a spacious hub for spending time with family or entertaining friends. The kitchen is equipped with Westinghouse appliances and incredible Ambassador stone benchtops. At the back of the home, a second bathroom creates an ideal guest bathroom, and conveniently offers laundry facilities.
