EXPRESSIONS OF INTEREST - INSPECTION STRICTLY BY APPOINTMENT ONLY

Positioned on a prominent corner in one of Perth's fastest-growing southern corridors, this approximately 1.98-hectare flat landholding presents a rare opportunity to secure scale, exposure, and long-term upside in a tightly held location, improvements include 4 bedroom 2 bath home and 2 large powered sheds.

Directly opposite Piara Waters and surrounded by established and emerging residential communities, the property sits at the gateway of ongoing urban expansion. As surrounding infrastructure, amenities, and population density continue to grow, sites of this size and positioning are becoming increasingly scarce.

The strategic corner location offers exceptional accessibility, future flexibility, and strong visual prominence — key fundamentals for both land banking and future development (STCA). With predominantly flat terrain, the site lends itself to efficient future planning and design, reducing holding and development complexity.

This is a property that rewards patience and foresight. Whether held
