

7 Icefire Quay, Trinity Park

A Statement Home with a Soul of Its Own

Set within the prestigious Bluewater Harbour estate lies the kind of home that instantly changes the pace of your day, with the outside world fading the moment you arrive, and a sense of luxury and privacy takes over.

High ceilings and expansive open-plan living create an atmosphere that feels sensational, while multi-fold doors dissolve the line between indoors and out, drawing you effortlessly towards the sparkling magnesium pool and beautifully tiled entertaining area.

At the heart of this masterpiece sits a stunning newly renovated kitchen designed for people who love to gather - complete with premium appliances, generous storage and a servery that connects seamlessly to the outdoor entertaining zone.

Downstairs, three spacious bedrooms provide flexibility for family or guests, while upstairs feels like a private resort entirely of its own. Reached by a striking spiral staircase, the parents' retreat offers a balcony escape unlike any other — a covered outdoor haven complete with a ceiling fan and soothing treetop outlooks that instantly calm the senses. Morning coffee hits different up here!
