An exceptional opportunity to secure a standout boutique high-end designer beach cottage just moments from the golden sands of Tugun and Bilinga Beaches. This stunning newly renovated home offers an unparalleled coastal lifestyle for those seeking a tranquil yet refined retreat.

Designed with a thoughtful blend of organic luxury and coastal elegance, this transformed 3-bedroom beach cottage is a carefully curated sanctuary.

Enter via the new front fence offering security for an abundance of options, including caravan and boat storage and room for up to 4 cars, or have the option to let the kids roam confidently whilst entertaining from the new front deck.

As you enter the home on-trend details emerge, such as the white batten balustrade with the original aggregate steps kept to mix old and new world design. Bifold white aluminium doors allow seamless outdoor/indoor living and allow an abundance of northern light to enter into the lounge area, with the original floorboards giving new life to blend the original with modern.

Entertain and enjoy cooking in the high design yet functional kitchen featuring on-trend micro cement benchtops that blend organically with the handmade Italian imported marble tiles and feature range and punctuated lighting elements. Use the benchtop as a work area and dining table, as well as offering hidden internal storage, with an added pantry and storage options.

The newly added family bathroom elevates the home to a new level of contemporary design with a seamless integration of organic materials and premium finishes, creating a sophisticated yet inviting environment, with warm travertine-look soft cream tilework mixed with

the handmade Italian marble tiles married with wood feature vanity and earthed tones. Families will love the full-sized stand-alone bathtub, or those seeking to soak away the long beach days. The bathroom also features an elegant walk-in shower.

At the rear of the home, the two main bedrooms offer newly added walk-in wardrobes, and the third bedroom offers a built-in cupboard and custom bench space, a great option for a nursery or office. The master ensuite is styled with an upper nod to luxe design with darker organic tones on the vanity, custom basketweave tiling, and a waterfall ceiling shower, providing an immersive experience to add to the spa-like statements of the wet areas of this home.
