TWO STOREY HOME IN A GREAT LOCATION

Situated in an ideal location, this massive two storey home certainly has room for the whole family. Sitting on an approx. 1,004m² block of land roughly 500 metres from the main street of town, this could be a great home for a family that needs extra space or investment property.

Downstairs is the kitchen and a great sized rumpus room with two rooms on either side of the front entrance. The utility room features a servery through to the massive kitchen with no shortage of bench space. There is an additional room off the kitchen with a bathroom attached. This could also potentially be a great space if you need a bit extra room for your home business.

The L shaped shed is a great feature with room to park plenty of vehicles or use part of it as a workshop. There is still enough yard for kids and pets to play and established trees around the home add privacy.
