

Tully, 2 Murray Street

IDEAL INVESTMENT OR FAMILY HOME

Sitting on an approx. 1,070m² corner block roughly 1 kilometre from the main street of town. This high set, three bedroom home could be a great family home or investment property.

The front entry opens into a living room with an adjoining bedroom. Through the living room is a good size dining room with two bedrooms on either side. The U shaped kitchen is a good size, with plenty of bench space as well as a gas cook top and stainless steel rangehood. There is an additional room across from the kitchen, which could be a home office space, playroom or an additional living space.

Down the hall from the kitchen is the bathroom with a shower and separate toilet. There is also an internal laundry that opens onto the clothesline. The back patio is sure to be a great place to relax, looking out over the fully fenced backyard.
