

Turner, 5A/52 Forbes Street

Fabulous on Forbes!

Nestled in the heart of the Inner North, this stunning 2-storey, 3-bedroom ensuite townhouse is a true gem in a well-established complex. Fully renovated and bathed in natural light, the home boasts soaring ceilings in the living area, creating an expansive and airy atmosphere.

The interior, meticulously renovated in 2015, showcases a predominantly white palette that amplifies the space and brightness. A sense of grandeur is further emphasised by the upstairs mezzanine, which overlooks the living area-perfect for a study or relaxation zone, illuminated by a large skylight.

The open-plan living area flows seamlessly northward onto a private, tiled balcony, an ideal setting for your morning coffee or evening gatherings. Overlooking the balcony, the sparkling kitchen offers abundant storage and ample bench space.

All three bedrooms feature built-in robes, while the spacious main bedroom, complete with renovated ensuite, is conveniently located downstairs. Upstairs, the other two bedrooms and the main bathroom complete the comfortable and functional layout.

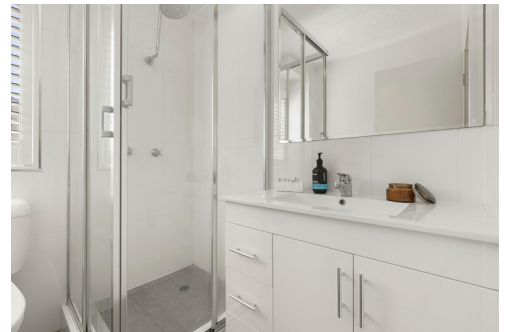

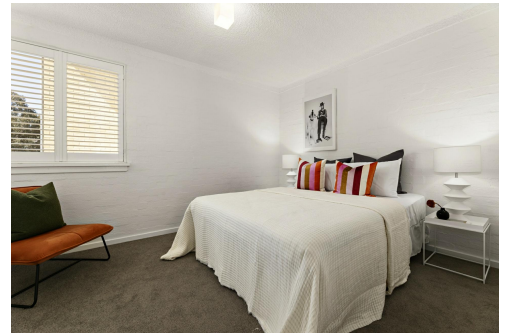

Retrofitted double glazing enhances energy efficiency, while a separate lock-up garage provides secure parking. Despite being part of a townhouse complex from the 1980s, the property is impeccably maintained, thanks to an active and diligent body corporate.

Situated on the quieter Forbes Street side of the complex, and surrounded by parkland and tree-lined streets, it's easy to forget how close you are to the light rail, the vibrant Braddon precinct, the trendy O'Connor shops, and the bustling Canberra CBD.

This property offers a rare blend of style, comfort, and prime location—a must-see for those seeking a unique home in the Inner North.
