A Once-in-a-Generation Opportunity with Panoramic Ocean, Skyline and Hinterland Views

Held by the same owners since being purchased off the plan, this exceptional three-bedroom apartment presents a once-in-a-generation opportunity to secure one of Pinehurst's most tightly held residences.

Positioned high above the manicured gardens and natural landscape, the apartment commands uninterrupted panoramic views stretching from Cook Island to Coolangatta's skyline and the majestic silhouette of Mt Warning. Bathed in natural light and framed by floor-to-ceiling glass, the residence is perfectly positioned to capture spectacular sunrises over the ocean, golden sunsets across the hinterland, and front-row seats to the annual whale migration. The outlook can never be built out, creating a truly irreplaceable backdrop of ocean, waterways, golf course fairways and protected natural bushland.

The generous living and dining space flows seamlessly to wraparound balconies where the views take center stage. Whether entertaining
