

17 Anchorage Circuit, Twin Waters

## Space, Style & Lifestyle in Prestigious Anchorage Circuit

Positioned in the highly sought-after Anchorage Circuit, just moments from the Maroochy River and Twin Waters Lake, this beautifully upgraded single-level residence delivers an enviable combination of space, flexibility, privacy and effortless indoor-outdoor living.

Set on a generous 753m2 allotment in a peaceful, tightly held pocket, this four-bedroom, three-bathroom home has been thoughtfully renovated to enhance both its layout and liveability, creating a home perfectly suited to modern family life.

At the heart of the home is a gorgeous, renovated kitchen, complemented by multiple living and entertaining zones that provide an abundance of space for everyone to come together, while also allowing family members to retreat and enjoy their own privacy when desired.

The accommodation is exceptionally versatile, with three distinct living areas, including a dedicated media room, while three separate alfresco entertaining spaces make it easy to embrace the Sunshine Coast lifestyle all year round.

A standout feature is the fully independent guest suite, offering an ideal solution for extended family, guests, teenagers or those seeking additional separation. Complete with its own private access, spacious bedroom, separate living area, stunning bathroom and covered outdoor entertaining area, it provides genuine independence without compromising connection to the main home.

The impressive master suite is a peaceful private retreat, featuring a generous walk-in robe and large ensuite with dual vanities and an oversized shower.

Outside, the lifestyle continues with a heated swimming pool, multiple entertaining areas and plenty of space to relax or entertain. The high-roof carport provides exceptional accommodation for a caravan, while an additional concrete pad offers secure space for a boat, trailer or other recreational toys.

Practicality is equally well catered for with 13kW solar power and a sophisticated ducted, zoned smart air-conditioning system, ensuring year-round comfort and efficiency.
