

Twin Waters, 19 Moorings Circuit

SOLD by Joshua Dekker & John Blackmore!

This stunning waterfront masterpiece is in need of significant repair allowing the perfect opportunity for builders and renovators to capitalize on this situation.

This home is a true masterpiece in every sense of the word, offering a lifestyle that most can only dream about! Capturing commanding broad water views with a north-easterly aspect across the picturesque lake, there is no better place to just sit back with a glass of champagne and relax the days away. An abundance of glass has been used beautifully around the infinity pool which offers lovely views from many areas and particularly the ground floor ensuite guest suite which opens out directly onto the pool. The layout has a lovely flow offering both formal and casual open plan living areas in addition to a separate room which could be perfectly utilised as a media zone or even an extra bedroom. Spread over two levels, upstairs comprises spacious bedrooms including the large master suite which enjoys huge walk-in-robe, spacious ensuite and private balcony which is perfectly situated to capture the best from the amazing position.
