Inside, this two-bedroom beauty is bright, breezy, and brilliantly updated. The kitchen? Oh, it's a total heart-stealer - sleek, stylish, and ready to inspire your inner MasterChef. The open-plan living and dining zone is equally dreamy, with timber-look floors, a cosy feel, and air-con to keep things comfy year-round.

Swing open the doors and voila - your own private courtyard. Morning coffees, sunset sips, Sunday BBQs... it's your new happy place. Both bedrooms are super roomy, the master has built-ins, and the bathroom's fresh and functional, with a separate toilet and its own laundry. Yep, they've thought of everything.

And here's the kicker: homes in this complex don't come up often - and when they do, they're snapped up fast. Even we, as local agents, have to play the waiting game for one to pop up! So if you've been hoping for the right one... this is your moment.

Top it off with NBN (FTTP), exclusive-use parking, and a well-kept complex that feels more like a community than a complex, and you've got yourself a winner.
