THE TIME IS RIGHT TO MAKE YOUR MOVE

The market is on the move so don't wait around, make your choice now.

The time is right, if you have been waiting for that right one, now is the time to make your move. This property is primed and ready to go so don't think too long, it may not wait as we are heading into the summer season.

Situated so close to the village, leave the car in the garage, and walk to all the wonderful cafes and eateries that are close by and the walkway to the beach is just across the road.

If that beach vibe is what you are after, then this one could be you. Easy care site that you won't have to fuss over, even room to expand.
