

60 Pacific Street, Waimataitai

Just to be pacific

Are you handy and looking for clever buying? The golden rules of good buying are: find a view, go for solid and sturdy, and always look for potential. Well, guess what?

Pacific Street delivers! With sea views, native trees alive with wild birds, a walkway along dashing rocks, and the bonus of being able to stroll to town through the bay - it's all here.

This two-bedroom home is packed with potential. Tidy it up or take on a full transformation - either way, you're starting with good bones. Under the old carpet lie beautiful floorboards, and it's built in classic '50s style: solid construction, built-in furniture, and charming internal French doors.

A single garage underneath offers great storage - bikes, gear, or even the Christmas tree you'll be dusting off soon! Homes in Pacific Street rarely come to market, so don't miss out. Whether you're starting out or downsizing, this is a brilliant opportunity to create a smart, stylish property.

Essential viewing. Come on in - there's a huge opportunity here.
