IMMACULATE FROM FRONT TO BACK

If you're waiting for that home where you can simply unpack, settle in and enjoy it from day one, this could be the one.

30 Shantull Drive is an absolutely immaculate modern home where there is genuinely nothing to do. Beautifully presented inside and out, it combines generous living spaces, impressive outdoor entertaining and a private backyard with all the features you'd expect from a quality Wallabi Point home.

The home offers four bedrooms and three separate living areas, giving everyone their own space without compromising the feeling of togetherness.

The master suite is cleverly positioned at the front of the home, complete with a walk-in robe and ensuite. The remaining three bedrooms are located at the opposite end of the house, alongside the main bathroom - an ideal arrangement for families with children or guests who appreciate a little extra privacy.

The heart of the home is the enormous kitchen, with plenty of bench space and storage, flowing effortlessly into the generous living areas

and out towards the entertaining spaces. High raked ceilings add an impressive sense of space and light, while multiple outdoor areas mean there's always somewhere to sit, relax or entertain.

And outside is where this property really comes alive.

The large swimming pool is the centrepiece of the backyard, overlooked by a dedicated alfresco area that's perfect for summer afternoons and poolside entertaining. Beautiful gardens create a private setting, while a separate courtyard with its own fire pit provides the perfect spot to gather with friends on a cooler evening.

There's also side access, a double garage and plenty of practical space - because a great lifestyle still needs somewhere to put the boat, trailer, toys and everything else that comes with it.
