## Modern Coastal Entertainer with Pool & Studio

Positioned in a convenient and sought-after pocket of Wamberal, this renovated family home delivers a perfect blend of modern coastal style, functionality and lifestyle appeal. Reimagined in October 2021, the residence showcases a crisp, contemporary feel, light-filled open plan living, resort-style pool and a versatile layout ideal for families, entertainers or investors alike.

Inside, light-filled interiors are enhanced by Velux skylights and beautiful engineered oak flooring that flows throughout, creating a warm yet sophisticated feel. The expansive open-plan living and dining zone connects seamlessly to a modern entertainers' kitchen appointed with premium appliances, a butler's pantry with abundant storage and a servery window that connects the kitchen to the outdoor entertaining area.

Outdoors, a heated saltwater pool is framed by travertine tiles and established bamboo, offering a private and practical space for entertaining or relaxing. Adding further flexibility, the ground floor studio with its own bathroom is ideal for guest accommodation, a home office, teenage retreat or potential rental income stream.
