

Warwick, 1 Uambi Place

PRICE REDUCTION, THIS SWEETHEART SEEKS NEW OWNERS...

Sweet as, this lovely home situated close to the city centre which is only 2.5kms away, close to schools, close to our renowned River Walks, Sporting Fields and more. Our Lady Seller now lives elsewhere, her property portfolio unwinding down toward her retirement is the motivation for this sale.

You will enjoy the three generous sized bedrooms, Built In Robes, the main bedroom image within this listing does have a king sized bed installed. Kitchen has been partially remodelled, an excellent new stove, which has a gas cooktop and an electric 900mm wide oven. The Kitchen, Dining and Living are open and all with views out to the neighbourhood and bushland beyond. Wrapped around two sides of this home is a verandah and deck linked. Downstairs you have the Laundry, the single sedan sized garage and workshop area. The home is constructed of a hardwood frame, I believe the narrow chamfer boards are also hardwood, the stumps are concrete stumps with ant capping in good condition that we can see. It is an honest home, one you can see all of it, within and underneath.
