

5A Stacey Street, Warwick

OUTSTANDING LOCATION and HOME, 500m or 7min WALK to CITY CENTRE

Well, if ever there was a desirable property it is our 5 Stacey Street, Warwick. The last small similarly located unit I had to sell was hit on so hard, it secured a buyer in a couple of days. Here you have an expansive internal space, home, not a unit, built for able bodied, or a modern home for disability. Either way this home and the neighbouring home at 5A are rarely seen to market here in our Region, but very, very desirable indeed. You will be pleased to know our home has:

- Solar Panels providing for you and feeding back into the Ergon Energy Grid;
- 2 Large Bedrooms, plus a smaller bedroom or office, each with a very generous Ensuite;
- 2 x Ensuite, plus a main Bathroom, three spacious bathrooms in all;
- all doorway, entrance, linkage within are wide, a wonderful airflow through the home in summer;
- well insulated for Winter, a north facing home, open plan kitchen, dining and living to the rear;
- flowing out to the excellent wide, undercover outdoor living area of
