

69 Dragon Street, Warwick

HISTORIC MIXED-USE PROPERTY in PRIME MEDICAL and PROFESSIONAL PRECINCT

Originally opened in the late 1800s, this character-filled property offers a rare opportunity to secure a versatile building suitable for retail, consulting, office, studio, or potential residential use (STCA) positioned in a well-established medical and professional services area directly opposite the Condamine Medical Centre and only a short walk to the Warwick CBD. Some like myself would adore the entire building as a generous and unique living space, imagine it, sitting on the footpath with your morning coffee, saying hello to all daily passers by, what a glorious life this would be here....

The original shopfront retains its historic charm with polished timber floors, high ceilings, feature chandeliers, and distinctive heritage style front windows, creating a warm and inviting space ideal for retail, gallery, studio, professional rooms, or alternatively a large lounge or entertaining area if used as a residence (STCA).

The main building includes multiple rooms suitable for office, consulting, bedroom, or living use, with plantation shutters to most rooms and recently repainted interiors in modern neutral tones. Network cabling is installed throughout much of the property, with fibre connected to the building, making it well suited for professional

or technology-based work.

The property has previously operated as a commercial kitchen come cafe and still includes a full commercial kitchen setup with extractor systems and cold room, please know compressor requires repair or replacement, offering further flexibility for hospitality, catering, or business use.

To the rear, a private and fully fenced courtyard with established Lilly Pilly hedging and Star Jasmine provides a secure outdoor area, with rear deck access from the main building. A lined shed with workshop benches and storage sits at the rear, along with off-street parking for two vehicles.

The property is listed on the local heritage register, preserving its historic character while still allowing practical use and updates, making it ideal for buyers seeking charm without heavy restrictions. Additional features include built-in wardrobes, dishwasher, security camera system, carpet-tiled rear rooms, mobile shop counter, and extensive wiring and data cabling throughout.

This is a unique opportunity to secure a flexible character property in one of Warwick's most tightly held locations, with strong potential for residential, commercial, or mixed use STCA.

- **FEATURES INCLUDE:**

Flexible mixed-use property, residential, or retail, or office, or consulting, or studio – STCA, or combination of residential and work for you.
