

Watlington, 23A Saint George Street

Solid home with stunning mountain views

Tucked away down a quiet back section, this sun-soaked property is the perfect retreat, offering breathtaking views - including Mt Cook on a clear day! Step inside to a spacious open-plan kitchen, dining, and living area - ideal for family living and entertaining. Stay cosy with a gas fire, a newer log burner, and two heat pumps. Four bedrooms, three of which include built-in wardrobes and doors that open out to the sun-drenched patio. One bathroom that has both a shower and bath, plus a separate toilet that is only three years old for added convenience.

Storage is no issue here, with ample throughout indoors and a large basement to accommodate all of your extras. Outdoors a veggie garden, tidy grounds and entertaining area offer the ideal setting for summer BBQs. A double garage with a workbench and a near-new sectional door completes the package, offering secure parking and a practical workspace.
