dishwasher, the kitchen is designed to make meal preparation and clean-up simple and efficient.

Adding further flexibility, the original garage has been tastefully converted into an additional living area. This versatile space is ideal for a growing family, providing valuable separation as a second lounge, media room, playroom, or home office. To ensure convenience isn't compromised, a newly installed carport offers practical and protected off-street parking.

With a north-facing rear aspect, the light-filled living area flows out to an outdoor space that wraps around the home. This provides ample room for kids and pets to play, along with space for gardening or relaxing. Whether you prefer low-maintenance living or love gardening, the established gardens cater to both, featuring privacy, easy care, and a built-in drip irrigation system. At the front, neatly trimmed hedges frame a charming cottage-style garden that is both attractive and easy to maintain.

Security and comfort are well considered, with a Crimsafe front door providing added peace of mind. A separate laundry opens onto the rear courtyard, offering easy access to the clothesline and outdoor area.

One of the standout features of this home is its position within The Fair. Located on Whitmore Crescent, the property is surrounded by owner-occupied homes, creating a strong sense of community. With no residence directly opposite, you'll enjoy open views across the community garden, enhancing the sense of space and tranquility. It's a welcoming environment where neighbours connect and residents can unwind.

This is a home that truly needs to be experienced in person to appreciate everything it offers.
