Waverley, 3A Brugh Place

First Time Ever on the Market

Position yourself for prime living in this exceptional Oamaru stone and larch wood home, located in the highly sought-after suburb of Waverley. Perfect for growing families, this spacious 240m² (+/-) residence is perched on an elevated site, soaking in all-day sun with breathtaking views of Saddle Hill and the sea.

Designed across three levels, the home offers a functional layout tailored for comfortable living. The entrance level features the main bedroom, bathroom, kitchen, living areas, and a versatile den/library, which could easily serve as a fourth bedroom. Two additional bedrooms are tucked away upstairs, ensuring privacy for family members or guests.

A generous, internally accessed basement garage comes complete with a workshop, extra toilet, and laundry, providing ample space for projects and storage.

The dining area seamlessly flows into a light-filled conservatory, creating the perfect space to unwind while taking in the stunning views. Outside, the established section requires minimal upkeep, with low-maintenance lawns that free up your weekends for relaxation rather than gardening.
