From the moment you arrive, 19 Celsa Street makes an impression. The elevated street appeal is matched by a commanding two-storey layout that's been refreshed with new paint, lighting and hybrid flooring throughout. Inside, soaring ceilings and generous proportions create a sense of volume and openness rarely found in modern homes.

The downstairs floorplan offers seamless flow across three distinct living zones - a formal lounge for quiet retreat, a spacious family dining area connected to the oversized kitchen, and a rear rumpus room ideal for games, media or relaxed family time. The kitchen itself is a true centrepiece, boasting stone benchtops, an elevated serving counter, a huge breakfast bar, stainless steel appliances, and plenty of cabinetry for the busy household.

Upstairs, a light-filled activity room opens out to the front balcony - perfect for evening drinks or your morning cuppa with a view. At the rear, the master bedroom is a private parents' haven, featuring a large walk-in robe and indulgent spa ensuite with large shower, double vanity and premium corner spa. In total, there are seven genuine bedrooms, including three downstairs that are ideal for guests, elderly family members, or creating that much-needed work-from-home setup.

Equally impressive is the outdoor lifestyle on offer. A fully fenced inground pool sits beside the large covered patio and open-air paved alfresco, which is ideal for hosting long weekend lunches, birthday parties or dinners under the stars. With a ceiling fan, lights, wrap-around covered patio and ample yard space for the kids or pets to play, there's something here for everyone.

Additional highlights include:

- Three modern bathrooms (including downstairs guest bathroom with shower)
- Oversized laundry and walk-in pantry
- Ducted air conditioning & ceiling fan in alfresco area
- Alarm system and security screens
- 27-panel solar system 9.9kW
- 5,000L Colorbond water tank
- Double remote garage plus storage room
- Gated side access for boat, trailer or camper

Located in a leafy and tightly held enclave, this address is just minutes from Redlands College, Wellington Point State School and State High, and close to shopping villages, the train station and waterfront parklands. Whether you're entertaining extended family or seeking a future-proof lifestyle home, this one is not to be missed.

A true all-rounder for growing or extended families - inspect today and secure a rare gem in a premium bayside setting. Contact Jenny Tang or Kevin Ahn to arrange your viewing.
