Great Starter Home or Investment

With external cladding and mostly aluminium windows already in place inside offers three bedrooms, two with built-in wardrobes, a separate laundry and separate toilet. There's good bones here, and while the home would absolutely benefit from some TLC, a little bit of love would truly go a long way. One of the real standouts here is the shedding and outdoor setup. The double garage with direct street access is an absolute bonus, complete with a woodfire, second toilet and work benches already set up and ready to go. Whether you need workshop space, storage, somewhere to tinker or just a place to disappear to with a project and avoid eye contact for a few hours, it's incredibly functional. There's also a carport for additional undercover
