

187 Whale Beach Road, Whale Beach

Oceanfront Sanctuary with Timeless Coastal Soul

Step into a world apart, where the rhythm of the ocean sets the tone and time seems to slow. Perched above the ever-changing seascape, this captivating coastal retreat is a place of rare calm-where sweeping ocean panoramas stretch to the horizon and the only soundtrack is birdsong and waves meeting the rocks below.

Held and cherished for over three decades, the home retains an authentic beach house soul, beautifully expressed through a relaxed dual-level design that invites both quiet retreat and effortless entertaining. Sunlit interiors spill onto a choice of ocean-facing decks, each offering a different perspective of the coastline, while a separate, near self-contained retreat provides flexibility for guests, extended family or creative escape.

Nestled privately beneath the road amid lush tropical gardens, a series of sandstone steps lead you down to a secluded forecourt, enhancing the sense of arrival and seclusion. Despite its peaceful setting, the golden sands and surf of Whale Beach are just a short stroll away, placing you within easy reach of one of the Northern Beaches' most iconic shorelines.
