

19a Beauty Drive, Whale Beach

## Private Sanctuary with Pittwater Views and Endless Potential

This rare sanctuary is the embodiment of privacy and seclusion, just 560 metres from the golden sands of Whale Beach. From its elevated setting, the residence commands sparkling vistas of Pittwater and Avalon Beach beyond-an ever-changing natural canvas that inspires a deep sense of calm.

Stepping through the doors is like stepping back in time, to an era where homes were designed with immense proportions, soaring cathedral ceilings, and a slower pace of living. Here, life is unhurried-an invitation to breathe deeply, savour the leafy surrounds, and truly appreciate the extraordinary lifestyle of Sydney's Upper Northern Beaches.

Generous living and dining zones are framed by floor-to-ceiling glass, allowing dappled light and leafy outlooks to seamlessly merge indoors and out. Multiple timber decks, a wood combustion fireplace, and expansive skylight windows create warm and welcoming spaces to gather, while the relaxed beachside kitchen with stainless steel gas appliances and an island bench is perfect for both entertaining and everyday family living.
