

83 Maisey Road, Whatawhata

AUCTION BROUGHT FORWARD

My sellers have moved on to their next adventure, leaving behind a striking contemporary home for a new family to love. The sleek combination of brick and linea cladding creates a modern and eye-catching facade. Designed for low-maintenance living, it gives you more time to relax and soak in the breathtaking views of Mt Pirongia, Mt Kakapuka, and on a clear day Mt Ruapehu.

The open-plan living area is bright, airy and ideal for both family life and entertaining guests. Thermal loaded polished concrete floors return heat from the sun due to the purpose built north facing orientation and add a sophisticated touch while remaining practical and easy to maintain. Open the large glass sliders to let the outdoors in, with ample space for a swimming pool for the long summer months.

The established orchard offers a variety of fruit trees, ready for you to enjoy the seasonal harvest. Set on 4,866m² back from the road on a quiet country no-exit road, this property offers the tranquility of country living with convenient access to main arterial routes, keeping the city and all amenities just a short drive away.

Auction Day will be sale Day.
