

Whatawhata, 3/155 Old Mountain Road

Affordable Acreage

Due to my seller living their twilight years in care, this 4.9759 hectare (12.30 acre) property, fenced into 4 paddocks is surplus to requirements.

With no restrictive building covenants, this gives you the flexibility to use your imagination to create your idea of lifestyle living and enjoy the privacy and views this land has to offer.

Structures on the property include a shearing shed complete with shearing plant, an implement shed with 3 phase power, cattle yards and, a loading ramp.

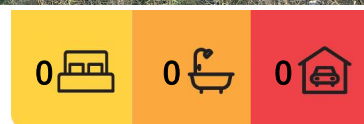

To top it off, the property is supplied with water from its own bore.

A full information pack including a LIM report is available on request.
