

Wondai, 40 Grant Crescent

Location and Aspect

Two things you just can't change about a house once it's built are the location and aspect, and luckily this house has positive points on both. The north/south orientation ensures the house is light and comfortable indoors, the open plan is generous, and ceiling fans throughout keep the whole house fresh. Electric cooking, two way bathroom, toilet and powder room, laundry, ample built in storage and a large private covered outdoor living all add to the appeal. There is a double garage, well landscaped backyard, and room for all your pursuits. It's neat and secure, modern yet appealing. Owners are genuine about negotiating a smooth sale.
