WHY INVESTORS ARE JUMPING ON THIS NOW:

In light of shifting economic landscapes and federal tax reforms, securing high-yield, established metro properties with immediate cash flow is more critical than ever.

- Immediate Income: Currently tenanted by reliable, long-term tenants paying \$450/week on a periodic lease.
- Massive Rental Upside: Updated rental appraisal of \$490 - \$510 per week, delivering an outstanding gross yield of up to 5.30%!!
- Growth Location: Positioned right in the high-growth corridor midway between Brisbane CBD and the Gold Coast. Minutes to the M1, Logan Motorway, express train station, top schools, and major shopping precincts.

Opportunities with this level of returns under \$500k in SEQ metro areas are disappearing fast.

With Only One Thing Left To Do... That Is... Beat The Crowds!!!
