Family Home with Convenience

This spacious family home offers plenty of room both inside and out. The generously sized, updated kitchen features sleek stone benchtops, modern fittings, and ample preparation and storage space. The open-plan living and dining area is filled with natural light thanks to large windows and glass doors that open onto a full-length rear veranda-perfect for enjoying fresh air and outdoor living.

There are three well-proportioned bedrooms, each equipped with built-in robes and split-system air conditioning. The renovated bathroom includes a shower over the bath, generous vanity storage, and a separate toilet, making it ideal for family living.

Outside, the low-maintenance, fully fenced yard provides plenty of grassy space for children and pets to play, along with a refreshing plunge pool for those warm days. The property also features a double undercover carport for two vehicles and a garden shed for additional storage. Fully tiled and air-conditioned throughout, this home combines comfort, style, and practicality.
