A Rare Opportunity in a Prime Location

Auction Location: On Site

Auction Sat. 9th May at 10:00am (USP)

Positioned on a generous allotment of approximately 540sqm with a width of 9.25m, this original solid brick maisonette presents an outstanding opportunity to renovate, rebuild or reimagine in a well-connected and increasingly popular pocket.

Behind its classic red brick facade, the home retains its original charm with high ceilings, offering a functional layout ready to be transformed. Whether you're looking to roll up your sleeves and restore its character, update and extend, or start fresh and build your dream home (STCC), the depth and proportions of the block provide the flexibility to do it your way.

The existing layout comprises three bedrooms, a central bathroom, and a traditional floorplan that lends itself well to renovation. A drive-through driveway provides access to the rear of the property, where a garage adds further practicality and storage.
