A huge laundry with ample storage space provides excellent functionality, complete with leadlight feature windows, exposed timber ceiling beams, double laundry basin and extensive cabinetry.

Separate from the home is a fully insulated 42sqm studio, currently set up as a guest retreat. With high pitched cathedral ceilings, jarrah floors, beautiful timber-framed windows, french doors that open up to lush green lawns and huge maple tree. A split system air conditioning completes this room.

Adjoining the studio is a huge partitioned workshop area, complete with an abundance of built in shelving. From there, you walk into yet another partition which houses a double garage, offering further flexibility.

Outdoors is where this property truly shines. The home is serviced by a 150,000 litre rainwater tank, with full reticulation across the property supported by multiple tanks, a bore and dam/soak system. A fully fenced and lockable work yard of approximately 440sqm includes power, water and ample space for vehicles or machinery.

The pristine waters of Geographe Bay are just 9km* away, with Yallingup Beach only a 12-minute drive*.

This is a special opportunity for those seeking land, space and a genuine country lifestyle - without giving up the convenience of town and coast.
