34 Hyde Drive, Yarrabilba the Home that turns all the heads!

Some homes tick boxes.

This one seems to have found a few extra boxes just so it could tick those too.

Sitting proudly opposite Billubera Park on a whopping 666m2 block which is the biggest in the street, a multi generational family home with serious proportions, possibility for 6 Bedrooms with multiple separate living zones, an enormous backyard, park views and enough flexibility to handle just about anything family life throws at it.

And yes... the master walk-in robe is genuinely big enough for a nursery.

Welcome to a home that doesn't do things by halves. Step through the front door and the sense of space is immediate. Raised ceilings, plantation shutters and beautiful natural light give the home an elegant, relaxed feel, while full soundproof insulation batts throughout the internal and external walls mean that when someone says they "need some space"... they can actually have it.

There are 4 king-sized bedrooms, all with walk-in robes, plus a large home office and separate sitting room that could easily become bedrooms 5 and 6 if required. With a full bathroom downstairs, it's also an excellent setup for guests, teenagers, extended family or multi-generational living.

THE KITCHEN ISN'T EXACTLY SHY

At the heart of the home is a beautiful luxury kitchen designed for families who like to cook, entertain or simply gather around an impressively large island and order takeaway. You'll find an oversized stone island, extensive cabinetry, five-burner gas cooktop, electric oven, combination steam/grill microwave and plumbed fridge space.

Then there's the walk-through butler's pantry, complete with a second sink and masses of storage. The open-plan kitchen, dining and living area flows through large bi-fold doors to the covered alfresco and enormous backyard beyond.

There's room for the trampoline, for the pets & yes even the kids.

And importantly, room for that resort-style pool you've been mentally designing for the last five years.

Families need space and 34 Hyde Drive has plenty of it.

Along with the main living area, there's a separate rumpus that could become a games room, home gym, kids retreat or entertaining lounge, with potential for a future wet bar.

Head upstairs and you'll discover yet another generous living area. Movie upstairs. Footy downstairs. Kids somewhere else entirely.

Peace may finally be possible.

THEN THERE'S THE MASTER SUITE...

Positioned upstairs with beautiful views across Billubera Park, the master suite feels more like a private retreat. Step onto your own balcony, enjoy the park outlook, then wander through an enormous walk-in robe with enough space to incorporate a nursery or additional dressing area. The ensuite continues the theme with a freestanding bath, oversized shower, double vanity and separate toilet.

Three additional king-sized bedrooms each feature their own walk-in robe, serviced by a substantial family bathroom with full-size bath, oversized shower, double vanity and separate powder room.

AND THE PRACTICAL STUFF? ALSO IMPRESSIVE.

There's ducted air conditioning throughout, an oversized laundry with direct access to the butler's pantry and a huge 30x Solar Panels (13.2kW system) helping keep household running costs under control.

The oversized double garage features a drive-through rear roller door also a gate with side access giving you secure options for the boat, trailer, jet skis or other toys, while a 3m x 3m garden shed takes care of everything else.

And directly across the road?

Billubera Park.

No neighbours staring back at you. Just green space, a beautiful outlook and an extra-wide street with loads of additional parking.
