Stylish Townhouse Transformation from Top to Bottom

Behind the privacy of a tropical townhouse community, this beautifully renovated residence offers the kind of lifestyle that is becoming increasingly difficult to find – one that is built for low-maintenance living without sacrificing space, comfort or outdoor enjoyment.

Natural light spills through large windows and sliding doors, and the warm timber staircase creates a striking focal point that ties the home together. The renovated kitchen sits at the heart of it all, thoughtfully appointed with stone-look benchtops, quality appliances, generous storage and an open layout that keeps you connected to family and guests.

Outside, a substantial private courtyard unfolds at the rear, complete with a covered alfresco area beneath a modern louvre roof. Breezy lunches with friends, weekend BBQs and open-air afternoons spent with a book and a cool drink all feel right at home in this inviting outdoor space, designed to be enjoyed throughout the year.
