

## Hampden, Section 24 Duncan Road

### YOUR PRIVATE 47HA PLAYGROUND

Don't miss out on this unique 47.34-hectare property, a private and peaceful haven nestled in nature yet only 10 minutes from the coastal township of Hampden.

The block is predominantly covered in beautiful native bush and trees, creating a sanctuary for birdlife and offering incredible seclusion and privacy. For outdoor enthusiasts, it also provides a fantastic spot for hunting right on your doorstep.

Complementing the natural setting, a 13.5-hectare area has recently been replanted (early 2023) in *Pinus Radiata*, providing future income potential for forestry buyers or investors.

Hidden away in the bush, you'll find a well-positioned double garage currently used as a utility room, topped with a two-storied timber deck that overlooks the land and stretches out towards the ocean. This elevated spot offers the perfect place to relax, unwind, and take in the sweeping views across the treetops.
