"Glenoma" - 153 Acres of Privacy & Stunning Views

Boasting magnificent views of the Blue Mountains Escarpment, and to the Hartley, Megalong and Kanimbla Valleys, this rare 153 acre hobby farm makes the perfect weekend escape.

The property features a modest fibro cottage that could easily be restored to make a comfortable weekender and there is ample room for construction of a new custom designed residence to sit back and take in the amazing views.

The block is predominately natural timber with a small number of cleared areas suitable for grazing stock or keeping horses.

Conveniently located just 2 hours drive from Sydney with sealed access to the front gate, this is your opportunity to secure a desirable lifestyle property in this tightly held location.
