

774 Buckland Road, Matamata

Dairy property offers scale

Welcome to 774 Buckland Road, Matamata - an 154-hectare dairy operation in the heart of the Waikato, offering a well-established, efficient farming system.

This productive property is currently milking 370 cows through a 44-aside herringbone dairy shed, complete with meal feeders and all the infrastructure you need for smooth daily operations. The farm currently supplies Fonterra with an average of 155,000 kgs/ms, ensuring a reliable market and excellent returns.

Close to the dairy shed is the feed pad, and an effluent system which irrigates approximately 30 hectares. Water is supplied from two reliable bores, ensuring security even through the drier months. The contour is mainly easy rolling, providing a great balance for stock movement and production, and the property is well subdivided into functional paddocks for efficient management.

Accommodation includes- the main homestead features five bedrooms, and superb views across the surrounding farmland. There are also two comfortable three bedroom cottages, ideal for staff. Adding to the rural charm, there's a large duck pond, established shelter and native plantings.

Perfectly located close to Matamata, with Cambridge, Tauranga, and Hamilton all within easy reach, this farm combines scale, infrastructure, and location in one impressive package.
