THE STABLES ARE CALLING YOU

Opportunities like this don't come along often. Zoned Rural A and located just a few minutes from Oamaru North, this 1.49ha lifestyle property offers something genuinely different.

The property includes large two-storey stables built around 1875, full of character and history. The roof was replaced in 2020/21, and rewiring was completed around 2023, giving the building a solid base for future use.

There is potential to convert the stables into a home (subject to Council consent), continue using them for horses or animals, or adapt them for storage, workshops, or other uses. If a stable conversion isn't for you, there is also the option to build a new home elsewhere on the land, subject to the usual consents. Included in the sale is a 2017 Delta Saffron static caravan, currently set up on site. The caravan is a well-appointed unit and includes two bedrooms, bathroom, kitchen and living area. It provides a practical option for temporary accommodation, guest use, or as a base while planning or building, subject to any necessary approvals.

With its rural setting, proximity to town, and range of possibilities, this
